Del Sol High School Abstract 2004-05

Del Sol High School serves a diverse 1900 student population. The school's GEAR UP program will target approximately 73 tenth grade students. GEAR UP students will be assigned mentor teachers and counselors to ensure that a high percentage will successfully pass all academic classes and matriculate to the eleventh grade with at least a 2.0 GPA.

Del Sol High School students will attend two school field trips to college or career-related facilities. A culminating reward trip will be arranged for students who are credit proficient.

By the end of the school year a high percentage of GEAR UP parents will have participated in GEAR UP parent seminars. A GEAR UP counselor will facilitate parents in preparing their child for high school graduation, passing the Nevada State Proficiency Exam, and scholarship opportunities.
